Optimization of Dynamic Systems (ODS)

Open HiWi-Positions

- Lead small group tutorial sessions in the Winter Term 2023/2024
- The sessions consist of conventional tutorials and MATLAB lab sessions
- Tutorials can be given in English or in German
- HiWi contract of 50h (1 tutorial group) or 80h (2 tutorial groups)

Requirements
- Knowledge of SRT and other IRS courses
- Basic MATLAB skills
- Having attended the ODS lecture previously is a plus, but not strictly necessary
